HTML
CSS
Bootstrap
jQuery
JavaScript
React
Redux
Node.js
Express.js
MongoDB
Mongoose
EJS
Firebase
RESTful API
Figma
Photoshop

Career Objective

Full stack web developer with the ability to adapt in both self-starting and collaborative environments while staying focused on achieving high-quality results under strict deadlines. Over 2+ years of experience in designing and developing UI/UX, testing, debugging, deployment, and numerous other full-stack technologies.

Projects

E-Commerce Website (Full-Stack)

[GitHub](#) [Website](#)

NodeJs, ExpressJS, MongoDB, Mongoose, JWT, REST API, EJS, Postman, HTML, CSS, JavaScript

- Lead a team of 3: organized meetings, delegated tasks, helped teammates debug, etc.
- Built a REST API to implement sign-up and login to allow customers to save payment methods and track their orders.
- Used JWT for auth-token to store user sessions on the client side.
- Added admin panel to track inventory, update, edit or delete inventory, track orders, etc.
- Designed the UI/UX, implemented the front end with a robust back end using a view engine.
- Used Github for version control and Heroku for hosting.
- Used MongoDB for the database with Mongoose.

Crypto Tracker (Front end)

[GitHub](#) [Website](#)

ReactJS, Redux Toolkit, Styled Components, NodeJs, REST API

- Used CoinGecko REST API to access real-time and historical price changes for over 10k cryptocurrencies.
- Used ReactJs for front-end and Redux Toolkit to track state changes.
- Used NodeJs to make REST API to implement recent news articles from NEWSAPI regarding the selected cryptocurrency.
- Used GraphJS to graph the changes in the cryptocurrency.

Work Experience

Web Development TA/Grader - UMass Lowell

Jan 2022 - May 2022

- Graded assignments for over 40 students.
- Met individually with students twice a week to help them with their assignments.
- Provided students proper resources to achieve their goals for each assignment.
- Taught the class bi-weekly regarding, UI/UX design, ReactJs, MERN Stack, front-end and back-end development, etc.
